A Note from our Director

Dear KCK Parents,

I want to start by saying THANK YOU!! We know that these are crazy times, but we have the best parents ever!!! We are looking forward to moving into phase three soon (fingers crossed). When we do, we will shift to close at 6pm. Safety is our number one priority. Thank you for supporting us!! Like I mentioned last month, I am happy to say that we have been open throughout the entire Pandemic, and we have been successful at keeping COVID away. We have been implementing the CDC recommendations for Early Childhood Centers. These include social distancing, taking temperatures upon arrival, washing hands for 20 seconds regularly throughout the day, disinfection and sanitizing every few hours, and having parents drop off and pick up children at the front doors.

Again, please be mindful when you and/or your child goes anywhere where there is a large gather of people to wear your mask and/or quarantine for 14 days. As stated, before we have managed to stay safe from COVID please help us ensure we stay safe.

Uniform: Uniforms will be MANDATORY and enforced starting Monday, August 10, 2020. Any student (1 and older) not in uniform will be turned around upon arrival.
